the first Saturday of each
month, commencing on
6th February.** Bistro open
lunch and dinner.

Sunday Bar opens 10am
Bistro lunch from 11.30am.

President's Message

Happy New Year to all!

We have had a very interesting past year in many ways. What with the world pandemic, fires early on in the year, world powers doing some extraordinary things in dealing with the Covid 19, there hasn't been a dull moment (besides being locked up at home for weeks). Regardless all that, the club had a good year financially, membership is strong, with quite a few new playing and social members joining our great little golf club. We have had some new additions on the course with a new coring machine which we have been wanting for many years, a reconditioned greens mower which will be here soon, and in the clubhouse a couple of new poker machines to entertain our members. Future plans on the course include improving our cart paths in the near future. We are also looking for more volunteers to help around the clubhouse, not just out on the course, I'm sure there are quite a few of our members that have many secret talents that would be invaluable around the club. Many thanks to our current volunteers and committee members you have all done a great job over the past year and I look forward to a fun and prosperous 2021.

Cheers Lee Petersen

COVID 19 UPDATE

Our club has a Covid Safe Industry Plan in place that is for the safety of all our members. Included in this plan are requirements for seating plans for inside the club, the verandah and the DOSA area. These plans must be strictly adhered to at all times. Penalties for not following the seating plans are hefty for both the club and the individuals.

Please follow the directions of staff and committee members at all times to ensure we can continue to operate during the current Covid 19 restrictions. Refusal to comply will not be tolerated.

Recommencement of Ladies and Men's Competitions

With the Summer Cup well underway it is timely to remind all our golfers that the regular competitions will recommence in February.

The Ladies Competition tees off again on 2nd February with the first Monthly Medal competition for 2021. Men's Monthly Medal will be held on 6th February. Tee off is 7.30am so be at the club by 7am to sign on and ensure play gets underway on time.

We Need your Help!

A vast majority of the work carried out at our club is by volunteers. Members volunteer in many ways - driving the bus, helping at the door with QR check in process, working in the back office and working on the golf course itself. Anyone who has played a round of golf lately will know how fantastic the grounds are looking. This is all due to the hard work and dedication of a wonderful band of volunteers. More helpers would be greatly appreciated. It doesn't have to be on a regular basis, if you can spare a few hours here and there, you will be contributing to the improvement of our club. If you feel you can help in any way please feel free to approach one of our committee members and they will be more than happy to welcome you on board.

Bill Fletcher's New Role

Yet another example of how varied the roles of volunteers are at our club, we welcome Bill Fletcher to the role of Workplace Health and Safety Officer for all volunteers who carry out work on the course. Bill's role is to ensure that volunteers are working in an environment that is safe and as free from hazards as possible. Bill is the first contact for volunteers if they notice a potential harmful situation or hazard. Thank you Bill for volunteering in this important role.

Kev's New Menu

If you haven't checked out Kev's new menu I suggest you do. The range of dishes looks amazing and the prices are equally pleasing.

Bookings are essential due to the current Covid 19 restrictions, please call the golf club to book and avoid disappointment.

Bon Appetit!

Australia Day at the Golf Club

Tuesday 26 January join us for a great day of golf and fun!

- Tee off 8am sharp
- Single Stableford (Ladies and Men's Competitions)
