The Wild Goat is part of a unique learning program delivered by Running Wild... Youth Conservation Culture Inc. Trainees are undertaking a Certificate I in Hospitality and the majority of their learning is 'hands on' in the bistro. Sometimes we can make mistakes when we learn so please be patient and give us the opportunity to get it right.

As a customer, you are involved in the learning process and we appreciate your support and encouragement of our trainees. We are keen to hear your feedback. If you have any concerns or complaints to raise, please ask for the Chef on shift.

This training program is proudly funded and supported by the Queensland Government through its Skilling Queenslanders for Work initiative.
